EXTRA COURSES/CREDITS

TOTAL CREDITS REQUIRED TO DECLARE MAJOR	30
TOTAL CREDITS REQUIRED for BFA	120

* While not required for admission to the major, these courses are required for graduation. It is strongly recommended that students complete them in their second year, if possible. If not taken in second year, they must be completed prior to graduation.

** No more than 18 credits of 200-level studio may be taken in any one studio area.

*** SOSC formerly CLST/CMST/VSCM. Students may not receive credit for both. Students may substitute two social science courses, or one social science and either a natural/applied science or a second language course from another institution through the Transfer Credit/Letter of Permission process.

NOTE: Students at all levels are recommended to consult Ceramics faculty to build effective programs of study.
